What do **you** want to **do**?

*The Thomas Hart Benton Group of the Sierra Club is a volunteer organization with about 2000 members in the Greater Kansas City area and Western Missouri.*

## We're 1.3 million of your friends who want:

**Safe & healthy  
communities**

**Smart energy  
solutions**

**An enduring legacy for  
America's wild places**

Since 1882, the Sierra Club has been working to protect communities, wild places and the planet. We are the oldest, largest and most influential grassroots environmental organization in the United States.
