

Dear Alum,

Brother Harold and Sister Marie Ellen, both of whom recently passed away, left an indelible mark on Holy Cross and Mother Theodore Guerin High Schools. They both understood that a great high school is about giving students a chance.

Our new Sullivan Program, named to honor Sister Marie Ellen, provides individual intensive support to help those students not usually considered "traditional college prep" get ready for college. We want everyone to have a chance to succeed.

We have an outstanding legacy to live up to at Guerin Prep. We would love to be able to count on your support to help us as we prepare hundreds of students for success every year.

What makes Guerin Prep unique—and Holy Cross and Mother Guerin before it—is that we offer excellent educational opportunities to a wide range of academically prepared students—whether typical college prep students or non-traditional ones.

If we don't give them a chance, who will? With your support, we can!

Today's tuition and fees at \$8,500 is not enough to cover all our costs. In fact, this year, we've awarded \$483,000 in financial aid to 300 students.

Trusting in Providence,
Terry John Malik '69
President

Jonathan Tillich '09 mentioned an interest in pharmacy to his college counselor . . . he won a pharmacy internship unprecedented for a high school junior and today is a pharmacy major at University of Illinois, Chicago.

Anthony Allegretti '09 didn't score high enough on the entrance exam to get into his first choice high school, but Guerin Prep took a chance . . . Anthony graduated with honors and today is a Chick Evans Scholar at Marquette University.

making a difference

If we don't, who will?

GP

with your help

If you don't, who will?

Jenna Zacharias '12 tried out for the fall play, then the musical, encouraged as a Nolan Scholar to reach beyond her comfort zone . . . Jenna played a leading role as a witch in *Into the Woods* last spring.

Guerin Prep awarded \$483,000 in financial aid this year helping 300 of our students afford an excellent Guerin Prep experience . . . with 96% of the class of 2009 enrolled in college, today's students are also well on their way to success!

Your support ensures outstanding programs to help students succeed, like:

- **One-to-One Laptop computer initiative.** Every one of our 619 Guerin students uses a laptop in our wireless classrooms
- **Educating Women for Leadership and Aspirations for Young Men programs:** We're dedicated to our co-ed mission and value the benefits of single-gender education. These programs put special focus on encouraging gender-specific opportunities.
- **Nolan Scholars Program:** Invited based on top entrance exam scores, gifted, motivated students pursue advanced courses of study, and other enrichment activities.
- **ACT preparation:** Our average score is up two points over the prior year!
- **College Counseling:** 96 percent of last year's graduating class were accepted into college – 40% were offered merit scholarships totaling more than \$3.3 million.
- **Four-year theology curriculum and retreat program:** Not every Catholic high school requires their students to take theology every year; we're unwavering on this requirement. Fostering Catholic values and identity is why we exist.
